Volunteers: How You Can Help

There are many ways in which you can help the New Party to grow.

You can help from the comfort of your own home, out and about or from one of our offices.

It need not be much, just a few hours of your time will make all the difference and in return you will get a great deal of satisfaction by helping to make your country better.

At Home

INFORMATION ANALYSTS:

Are you able to analyse incoming information quickly and effectively ?

The Party is totally committed to interacting fully with the public and we need intelligent people to collect, summarise and direct comment, information and policy suggestions.

GRAPHIC DESIGNERS:

Do you have that elusive creative touch ?

We need gifted people able to reach out visually to the disenfranchised, the poor and the exploited.

TELEPHONE HOTLINES:

Do you have the ability to put people at ease while dealing with their calls in a competent manner ?

WRITERS:

Do you have the literary skills and the motivation to breathe life into the political debate ?

Could you present our beliefs, our principles and our policies in a straightforward yet inspirational manner ?

Out and About

CANVASSERS:

Explaining to members of the public what the New Party stands for and handing out leaflets.

Our canvassers work in teams and are given training, food and out of pocket expenses.

PUBLIC MEETINGS AND DEBATES:

The New Party will stage public meetings throughout the country.

You can help us by chatting to visitors and handing out leaflets.

In a New Party Office

CAMPAIGNS:

The New Party will conduct mail and telephone campaigns from our regional offices.

There will always be something to do and if you have a few spare hours and enjoy working with others then this could be for you.

BUSINESS CAN ALSO HELP:

Business people have suffered appallingly under this government and this could be your chance to do something about it. We understand that your own time may be limited but you can also help by making a donation or perhaps even mentioning the New Party on your company vehicles or stationery.
